

Dr. KlarX+ Carpet™ is a carpet, soft fabric, and upholstery shampoo/cleaner and protectant that comes in a highly concentrated (64X) container that is uniquely designed as an efficient carpet and upholstery cleaner with many additional features and benefits. Every gallon of this low foaming formula makes up to 64-gallons of carpet cleaning solution.

Dr. KlarX+ Carpet™

Continued protection against odor causing bacteria, mold, mildew, algae and fungi – Amazing Fragrance – Penetrates deep into carpet and upholstery fibers – Superior odor and stain remover – Fibers look new longer

PREVENT
24/7™

Dr. KlarX+ Carpet™ contains our PreventX 24/7™ Technology to meet the needs of all industries to *clean and protect* surfaces (in one process) from contaminants and deterioration caused by microbial development, odor producing bacteria, mold, and mildew, reinforcing your surface protection each time a surface is cleaned with **Dr. KlarX+ Carpet™**.

Features: Amazing fragrance, versatile formulation that will clean and protect your carpet, soft fabrics and upholstery in one step. Highly concentrated, water-based, hydrophobic, anti-static, and low foaming ideal for use in steam machines, carpet extractors and as a spot cleaner.

Benefits: Labor reducing formulation allowing you to clean and protect in one process. Reduce presence of contaminants and increase life of your soft surfaces with long-lasting protection against contaminants and deterioration caused by microbial development, odor causing bacteria, mold, mildew and fungi. Surfaces become more durable, improved wicking, removes deep stains and odors, increases moisture protection, reduces fraying of fibers, reduces compacting, provides mat protection, reduces allergens and extends carpet life.

Uses:

- Carpeting, upholstery and soft surfaces that are not adversely affected by water
- Anticipate approximately 300 sq. feet for every gallon of ready-to-use solution for maintenance treatments

Dilution Ratios to Create Ready-to-use Solution:

- Routine maintenance: 2oz per gallon (MSRP for 4/1 Gallon Containers at \$0.002 per sq. foot of carpet)
- Medium soiled fibers: 4oz per gallon (MSRP for 4/1 Gallon Containers at \$0.005 per sq. foot of carpet)
- Heavy soiled fibers: 6oz per gallon (MSRP for 4/1 Gallon Containers at \$0.007 per sq. foot of carpet)
- Spot Cleaner: 2-4oz per quart

Apply Using: Standard bottle sprayer (spot-cleaning/pretreatment), pump-up sprayer (spot-cleaning/pretreatment), steam machine, carpet extractors.
