

EnCapX™ Floor & Drain Cleaner

EnCapX™ Floor and Drain is a super-concentrated, plant-based cleaner that uses Encapsulation Technology. It's non-toxic, non-flammable, and free of harsh chemicals, leaving a pleasant fragrance. The formulation contains non-emulsifying surfactants for an exceptional experience. It can be used with hot water and on hot surfaces, and poured down hot water drains without affecting efficacy. This versatile product is perfect for maintaining the efficiency of downstream systems.

Features

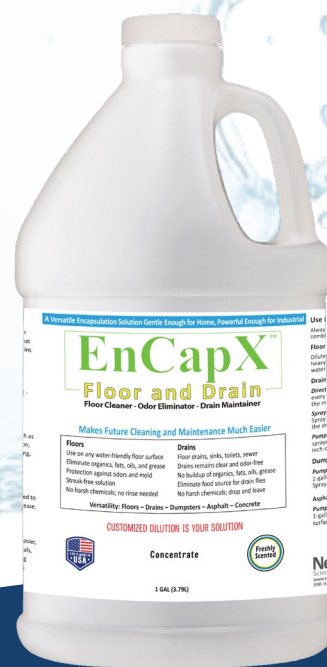

- Super-concentrated
- Plant-based
- Uses Encapsulation Technology
- Non-toxic
- Non-flammable
- Free of harsh chemicals
- Leaves a pleasant fragrance
- Contains non-emulsifying surfactants
- Can be used with hot water and on hot surfaces
- Can be poured down hot water drains without affecting efficacy
- Versatile product for maintaining the efficiency of downstream systems.
