

Dr. KlarX™ BioDissolve

Dr. KlarX™ BioDissolve is a versatile water-based enzyme heavy-duty cleaner that is designed to replace high pH cleaners. It can be diluted and used as a daily cleaner-degreaser and is highly effective at removing mold, mildew, stubborn soils and deep stains. It is bio-degradable, non-flammable, VOC-compliant, and water-soluble. It can be used on any water-friendly hard surfaces like concrete masonry, tiles, fiberglass, plastic, and stone surfaces. It goes to work immediately – absorbs, emulsifies, and floats soil to the surface.

Removes

- Mold, Mildew, Algae
- Grease, Oil
- Creosote
- Carbon
- Inks
- Dye
- Wax
- Food Stains
- Other Stubborn Soils
- Odorous residues

Benefits

- Deep Cleans
- Consumes Odors
- Water Soluble
- VOC Free
- 100% FireProof
- Safe on Metal Surfaces
- Easy to Use
- Economical
- Non-Toxic
- Versatile Cleaner
- Rust Prevention

- **Size:** 1-gal, 2/1-gal, 4/1-gal, Pails, 30 & 55-gal Drums, and Totes
- **Appearance:** Ambered colored deodorizing fragrance
- **Concentrate** – Dilute ½ oz to 1 ½ oz per quart
- **pH:** 8-9
- Non-Hazardous and Non-Toxic
- Stable under normal ambient temperature condition
