

Dr. KlarX™ RLS Remover

Dr. KlarX™ RLS Remover is a heavy-duty cleaner and mineral deposit remover that is acid-free and has a low pH. It is an excellent choice as a safe alternative to other harsh chemicals typically used to remove rust, hard calcification, calcium build-ups, algae stains, iron, sulfur, and other deposits. These mineral deposits more effectively. Dr. KlarX™ RLS Remover is scientifically engineered with nanoparticles that boost the effectiveness of the formula to rapidly penetrate and dissolve these without damage to surfaces. It is an extremely versatile product that can be used on all water-friendly hard surfaces.

Benefits

- Odorless, no Fumes, and Easy to Use and Handle
- 100% Biodegradable
- 100% Acid Free
- Non-Toxic
- Non-Corrosive
- Non-Mutagenic
- Neutralizes Easy with Water
- No Secondary Containment Required
- No Disposal Restrictions
- Safe on Piping and Pumping Equipment
- Safe on Swimming Pools, Hot Tubs and Spas
- Safe on Powder Coated Equipment and Surfaces

Where to Use

Can remove rust, stains, and mineral scale from:

- Countertops
- Appliances
- Fixtures
- Pipes
- Glass
- Plastics
- Stainless Steel

- **Size:** 1-gal, 2/1-gal, 4/1-gal, Pails, Drums, and Totes
- **Appearance:** Clear liquid, strong odor
- Non VOC
- **Concentrate** – Dilute 1oz to 6oz per quart
- **Flash Point:** Non-flammable / Non-explosive
- **Stability:** Very stable under normal ambient temperature and condition
