

NewEraStrip™ Lift Off

NewEraStrip™ Lift Off is a biodegradable and extremely strong stripper that effectively removes most clear and pigmented epoxy, polyaspartic and polyurethane coatings from hard surfaces. It is safe to use on wood, metal, concrete, fiberglass, ceramic, VCT, stone tiles and various masonry surfaces, from floors and walls. Does not contain methylene chloride or other solvents, it is non-flammable and exceptionally low to no odor, designed for all interior and exterior applications.

Features

- Biodegradable
- Extremely strong and efficient
- Low V.O.C.
- Non-flammable
- Cleans up with water
- Low to No odor
- Easy to use and apply
- Non-methylene chloride & solvent free formula
- Nano-Enhanced for quick penetration and stripping action
- Non-reactive will not generate odor or off-gassing

- **Size:** 1-gal, 2/1-gal, 4/1-gal, Pails, Drums, and Totes
- **Appearance:** Clear to Opaque
- **Odors:** Low to None
- **pH:** 8-9
- **Flash Point:** Same as Water
- **Stability:** Stable

Benefits

- Removes clear **and** colored epoxy and urethane coatings.
- Strips multiple layers safely and effectively.
- Can be use with auto scrubber with black pad for quick stripping.
- Ready-to use formula works much faster than most epoxy strippers.
