

Dr. KlarX™ Carpet Cleaner

Dr. KlarX™ Carpet Cleaner is a concentrated solution designed for use with extraction and shampoo machines. Formulated with an EPA-registered Antimicrobial and nano-cleaning technology, it effectively treats all types of fabric and carpet fibers by penetrating and lifting away stubborn grease and soils. Free of hazardous solvents like carbon tetrachloride and benzene, it is VOC-free and environmentally safe, ensuring both effective cleaning and eco-friendliness while reducing odors.

The inclusion of an Antimicrobial offers multiple benefits, such as enhanced durability, efficient wicking, and protection against stains, odors, and allergens. It prevents fraying, reduces compacting, and increases mat protection, ultimately extending the lifespan of carpets and soft surfaces. This powerful cleaner not only restores but also safeguards fabrics for long-lasting performance.

Features

- Nanotechnology Drives Cleaning Agents Deep into Surface
- Eco-Friendly Formulation
- Ozone Safe and Full VOC Compliance
- Surfaces become More Durable
- Increased Wicking Performance
- Increased Moisture Protection
- Reduce Fraying of Fibers
- Reduce Compaction
- Hydrophobic
- Anti-Static
- Low Foaming

Where to Use

Use with extraction and shampoo machines on all types of fabric and carpet fibers:

-
- Nylon
- Polyester
- Polypropylene
- Acrylic
- Triexta
- Olefin
- Wool
- Stain Resistant Carpets and Fabrics

- **Size:** 1-gal, Pails, Drums, and Totes
- **Appearance:** Light Amber Liquid
- **Fragrance:** Deodorizing fragrance
- **pH:** 7.5-8.5
- **Flash Point:** N/A
- **Stability:** Very Stable
