

Dr. KlarX™ Clean Quest

Dr. KlarX™ Clean Quest is more than just a cleaner—it's a comprehensive solution designed to tackle tough messes and lingering odors with ease. Its concentrated formula ensures maximum cleaning power, making it highly effective even in extreme situations where traditional cleaners might fall short. Unlike harsh chemical-based products, this eco-friendly, biodegradable cleaner works without compromising safety or sustainability.

What sets Dr. KlarX™ Clean Quest apart is its neutral pH, which allows it to clean efficiently while being gentle on surfaces. This means no risk of damaging delicate materials or corroding metal fixtures. In addition to its cleaning properties, it continuously works to break down organic matter and neutralize odors at the source, rather than merely masking them.

Features

- Ozone Safe, full V.O.C. compliance
- Contains rust inhibitor
- 100% fireproof
- Non-flammable
- Biodegradable
- Indoor or outdoor use
