

Dr. KlarX™ Spot & Stain Remover

Dr. KlarX™ Spot and Stain Remover is a ready-to-use cleaner designed for manual spot cleaning, utilizing nano-enhanced biochemistry to lift stubborn soils effortlessly. It is free from hazardous solvents like carbon tetrachloride, benzene, and gasoline, ensuring a VOC-free, environmentally safe formula.

Additionally, it contains an EPA-registered antimicrobial that helps protect fabrics from contaminants, bacteria, mold, and mildew, preventing deterioration and odors. With every use, it reinforces surface protection, reducing labor costs and extending fabric life.

Features

- The use of Nano-Enhanced biochemistry combined with an EPA registered Antimicrobial in the formulation allows soft surfaces to:
- Become more durable
- Maintain efficient wicking
- Eliminate deep stains and odors
- Maintain increased moisture protection
- Eliminate fraying of fibers
- Reduce compacting
- Increase mat protection
- Reduce allergens
- Extend life of your soft surfaces and carpet.

Benefits

- Nanotechnology Drives Cleaning Agents Deep into Surface
- Eco-Friendly Formulation
- Ozone Safe and Full VOC Compliance
- Surfaces become More Durable
- Increased Wicking Performance
- Increased Moisture Protection
- Reduce Fraying of Fibers
- Reduce Compaction
- Hydrophobic
- Anti-Static
- Low Foaming

- **Size:** 1-gal, 2/1-gal, 4/1-gal, Pails, Drums, and Totes
- **Appearance:** Light Amber Liquid
- **Fragrance:** Deodorizing fragrance
- **pH:** 9-9.5
- **Flash Point:** N/A
- **Solubility:** 100% in Water
- **Stability:** Very Stable
