

Dr. KlarX™ Trauma Clean

Dr. KlarX™ Trauma Clean is a biodegradable, eco-conscious formula that removes organic stains and odors from hard surfaces like concrete, wood, tile, and asphalt. It's built for heavy-duty cleanup—without harsh residues.

Use it with mops, pressure washers, or carpet machines. The formula lifts tough grime without leaving streaks, making it ideal for restoration pros who need clean results fast.

Designed for trauma and crime scene cleanup, **Dr. KlarX™ Trauma Clean** delivers reliable performance in high-demand environments serving as the essential first step before disinfecting.
