

Dr. KlarX™ Laundry GreaseBuster

Dr. KlarX™ Laundry GreaseBuster is a high-performance detergent built for industrial and institutional laundry environments where grease, oil, and heavy soils are the norm. Whether you are cleaning mechanic uniforms, shop towels, or industrial workwear, its advanced nano-biochemical formula penetrates deep into fabric fibers to lift and dissolve stubborn contaminants. The result: garments that come out clean, bright, soft, and fresh—ready for another round of hard work.

This concentrated solution combines stain guard technology, fabric whitening agents, odor neutralizers, and built-in fabric softeners to deliver powerful cleaning while remaining color-safe and eco-conscious. Designed for high-efficiency (HE) machines, **Dr. KlarX™ Laundry GreaseBuster** is ideal for automotive shops, manufacturing plants, oil fields, and industrial kitchens. It transforms laundry from a chore into a reliable, cost-effective part of your workflow.

Features

- Natural grease breakdown
- No harsh chemicals
- Biodegradable, VOC safe
- Highly concentrated formula
- Stain guard protection
- Whitens without bleach
- Odor neutralizing tech
- Built-in softener

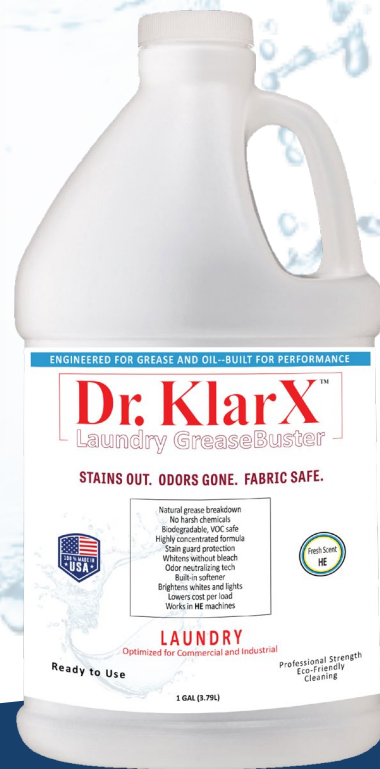

Benefits

- Removes heavy soils
- Dissolves grease and oil
