Dr. KlarX™ SeptiFresh Laundry

Eco-Friendly Laundry Cleaning Safe for Septic Systems in RVs, Boats & Camping

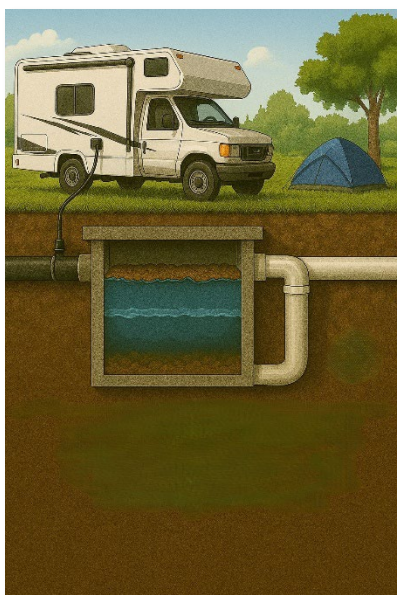

Product Information

Dr. KlarX™ SeptiFresh Laundry is a high-performance, environmentally conscious solution designed for use in sensitive septic environments. Built on our trusted Liquid Laundry Detergent foundation, **Dr. KlarX™ SeptiFresh Laundry** delivers powerful stain-fighting capabilities while remaining safe for septic systems and mobile setups. Whether you are at home or on the road, SeptiFresh ensures your laundry is clean, fresh, and eco-responsible.

Where to Use

Perfect for:

- **Septic Systems** – Protect your home's delicate ecosystem.
- **RVs & Boats** – Easy to use, safe, and highly effective on the go.
- **Camping** – Clean clothes, other fabrics and put wash water into pit toilets without compromising nature.

Features

- Eco-friendly, biodegradable formula
- Safe for all fabric types
- Effective in hot or cold water
- Performs well in both hard and soft water conditions

- pH stable and non-corrosive
- Phosphate- and silicate-free
- VOC compliant

Benefits

- **Powerful Cleaning Performance:** Enzyme-based formula breaks down starch, grease, oil, protein, and organic stains with ease
- **Septic System Safe:** Helps liquefy solids, reduce odors, and improve drainage—minimizing the risk of costly plumbing issues
- **Cost-Effective:** Concentrated formula requires less detergent per load, saving money over time
- **Enhanced Fabric Care:** Includes stain guard, whitening agents, odor neutralizers, and fabric softeners for brighter, fresher, softer clothes
- **Environmentally Responsible:** Designed to minimize environmental impact without compromising cleaning power.

Usage Instructions

Machine Cleaning:

1. Top Loading Machines: Use 1/2 cup per load.
2. Front Loading Machines: Use 1/4 cup per load.
3. Large Capacity Machines: Use 1/2 – 1 cup per load.
4. Extra Whitening: Use Non-Chlorine (Oxygen) Bleach.

Note: Designed for both regular and (HE) high efficiency machines.

Manual Cleaning:

1. Fill basin or dry bag with a small amount of water.
2. Add **Dr. KlarX™ SeptiFresh Laundry** as needed depending on the amount of soils and clothing being washed.
3. Agitate them, let soak for a few minutes, then rinse thoroughly with clean water.
4. Hang clothes to dry.
5. Dispose of wash/rinse water in pit toilet.

Caution

Keep out of reach of children. Store away from food and beverages. Harmful if swallowed. Wash hands thoroughly after use.

First Aid

Eyes: Flush with water for at least 15 minutes. Seek medical attention if needed.

Skin: Wash with soap and water. Consult a physician if irritation occurs.

Ingestion: Do not induce vomiting; seek emergency medical attention immediately.

Storage & Handling

Keep container closed when not in use. Store out of direct sunlight and avoid freezing or extreme heat (40°F - 120°F). Avoid contact with skin, eyes, and open wounds; harmful if swallowed.

Product Specs

Sizes: 1gal, 5gal, 55gal, 275gal

Appearance: Light Purple

Odor: Surf, Floral

pH: 8.5 – 9.5

Storage: 40°F to 110°F

Non-Hazardous, Non-Flammable
Ozone-Safe, Contains No VOC's
