

NewEraAgri™ Crop Excel Guard

NewEraAgri™ Crop Excel Guard is a cutting-edge nano-enhanced adjuvant designed to supercharge post-emergence herbicide performance. Its advanced molecular formulation creates powerful synergy with herbicides, dramatically improving uptake and effectiveness against resistant and perennial weeds. This breakthrough technology gives growers a dependable, science-driven solution to one of agriculture's toughest challenges—weed resistance.

Compatible with most herbicides, **NewEraAgri™ Crop Excel Guard** integrates seamlessly into existing spray programs, making it a plug-and-play upgrade for row crops and specialty fields alike. Beyond performance, its eco-friendly chemistry supports sustainable farming by minimizing environmental impact while preserving crop protection. For growers who demand results without compromise, **NewEraAgri™ Crop Excel Guard** delivers precision, power, and peace of mind.

Features

- Nano-enhanced formulation for superior herbicide synergy
- Compatible with most herbicides targeting resistant weeds
- Designed for use in agricultural and farming applications
- Eco-friendly chemistry with reduced environmental footprint
- Easy integration into existing spray programs

Benefits

- **Efficiency:** Boosts herbicide uptake
- **Durability:** Resists light, rain
- **Simplicity:** No extra additives
- **Speed:** Rapid leaf penetration
- Boosts herbicide power
- Cuts repeat spraying
- Tackles tough weeds
- Supports sustainability
- Increases crop yield
- Preserves manure value
- Improves nutrient spread
- Liquefies solids
- Reduces crusting
- Prevents salt buildup

Sizes: 1gal, 5gal, 55gal, 275gal

Appearance: Amber to Light Brown

Odor: Slightly Earthy

pH: 4.5 – 5.5

Storage: 55°F to 75°F

Non-Hazardous, Non-Flammable Ozone-Safe, Contains No VOC's
