

# BioCap™ Septic Tank

**BioCap™ Septic Tank** is the smart, sustainable solution for septic system maintenance—designed to deliver powerful results without compromising the environment. Whether you're managing a residential tank or overseeing large-scale commercial systems, **BioCap™ Septic Tank** is the smart, sustainable solution for septic system maintenance—designed to deliver powerful results without compromising the environment. Whether you're managing a residential tank or overseeing large-scale commercial systems, **BioCap™ Septic Tank** offers unmatched performance in organic waste breakdown, odor control, and system longevity. It's compatible with a wide range of applications, including advanced Membrane Bioreactors (MBR), making it the go-to choice for professionals and homeowners alike.

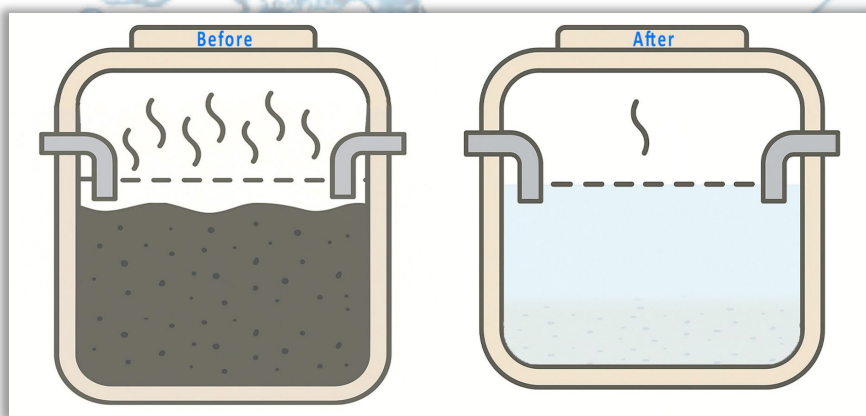

What sets **BioCap™ Septic Tank** apart is its proprietary blend of over 600 trillion live, broad-spectrum bacteria—engineered to tackle the toughest septic challenges. From reducing sludge and preventing clogs to eliminating hydrogen sulfide and methane odors, **BioCap™ Septic Tank** transforms underperforming systems into clean, efficient, and worry-free operations. If you're looking for a proven, eco-friendly product that delivers measurable results, **BioCap™ Septic Tank** is your answer.

## Features

- Advanced waste digestion
- 600T+ live bacteria
- Rapid microbial multiplication
- Aerobic odor control
- Sludge volume reduction
- Drain field support
- Eco-safe formulation
- Restorative system action
- Reduces salt, chloride, and sodium content

## Benefits

- Liquefies tough waste (e.g., cellulose from wipes & paper)
- Accelerates breakdown process
- Eliminates foul gases (H<sub>2</sub>S, methane)
- Boosts tank capacity
- Prevents clogs & backups
- Restores neglected systems
- Reduces ammonia, BOD, TSS
- Safe for all applications

**Size:** 4/1-gal, 5-gal, and 55-gal

**Appearance:** Amber-Light Brown Liquid

**pH:** 4.5-6.5

**Solubility:** 100% in Water

**Stability:** Stable

**Other:** Ozone Safe, Full VOC Compliance
